

## Fly CASA Approved with AUSA

☎ 1300 886 532 ✉ [info@ausacademy.org](mailto:info@ausacademy.org)

The Australian Unmanned Systems Academy (AUSA) is a global leader in qualifying individuals in the commercial operations of Remotely Piloted Aircraft Systems (RPAS).

We also advise corporate and Government agencies in the capability development of this technology within their organisations.

The Australian Unmanned Systems Academy is a CASA approved training organisation.
